

## What is the Alpine Snow Bike ?

A new cycling sport discipline on snow

## Who created it ?

A Frenchman, **Eric Barone**, the World Speed record holder on Snow Bike

## Is it officially recognised by the International Sports Institution ?

YES, by the World Cycling Federation U C I based in Switzerland

## Who can do it ?

Boys and girls alike enjoying riding a bike and sliding on snow as well ,individually or with the family

## How its development being achieved in China ?

Through a double angle ; the competitive side which any sport needs for entertainment, fame and proud, and **individual healthy fun and pleasure** with learning its basics skills via Alpine Snow Bike Riding School attached to ski resorts or indoor snow parks
